Driving to camp?

Opening Day: Check in time is from 5:00-6:00pm at Silver Sage Lodge

Closing Day: Check out is at 11:00am-12pm at Silver Sage Lodge

IMPORTANT: Please do not arrive at CAMP TELAPHIBA before 5:00pm on Opening Day, or 11am on closing day.

Flying to camp?

Please schedule flights to arrive and depart from Denver International Airport (DIA). Campers are required to fly into DIA between 1pm and 3pm on Opening Day, and fly out between 4pm and 7pm on Closing Day if they are planning to use the **camp shuttle. (The shuttle service we use to and from the airport is Epic Mountain Shuttles)

Unaccompanied Minors:

If your child is flying as an unaccompanied minor and will be held at the gate until we arrive, please let us know ahead of time so that we can arrange for a pass to go to the gate to pick them up. You must pay for the unaccompanied minor status in order for us to pick them up at their gate. Unaccompanied minors are required to fly into DIA between 1pm and 3pm on Opening Day, and fly out between 4pm and 7pm on Closing Day in order to use the **camp shuttle. If your camper arrives before this time frame, you will need to make arrangements with the airline to have someone stay with your child until we arrive. If your camper arrives after this time frame, you will need to make arrangements with the Epic Mountain Shuttle for transportation to camp, and there would be no camp staff accompanying your camper.

Solo Travelers (over the age by airline for unaccompanied minors):

If your camper is traveling alone, they will board the train from their gate and get off at baggage claim. There, a CAMP TELAPHIBA staff member will meet your child at the top of the escalators and GO WITH THEM to get their bag if they have check one. The staff member will have a CAMP TELAPHIBA sign and also be wearing a CAMP TELAPHIBA staff shirt, so they will be easily recognizable. Solo travelers are required to fly into DIA between 1pm and 3pm on Opening Day and fly out between 4pm and 7pm on Closing Day in order to use the **camp shuttle. If your camper arrives after this time frame, you will need to make arrangements with the Epic Mountain Shuttle for transportation to camp, and there would be no camp staff accompanying your camper.

Chaperones/Group Travelers:

If your camper is traveling with a group from your home studio, Camp Telaphiba will provide transportation to and from camp unless otherwise stated by you or your child's chaperone. Reach to your studio chaperone for flight and travel details.

Communication and Cell Phone Policy

Care Packages/Notes For Your Camper:

- Camper mail, such as letters, postcards or packages, can be dropped off with CAMP TELAPHIBA staff and can be given to your camper throughout the 5 days. Please designate your desire for delivery clearly on the packages.
- You may email your child during camp by sending your e-mail to yourfriends@camptelaphiba.com. Please put your child's full name in the subject line to ensure delivery to them. Due to the number of campers, please limit email to three submissions per camp. Emails will be delivered to campers once per day, typically each evening after dinner!

Camper Cell Phone/Camp Phone Policies:

At Camp Telaphiba, it's our job to help kids connect with dance, with nature and with each other. We want to build lasting skills, foster friendships and create lifelong memories. This IS doable even if they aren't saved on Instagram! As part of that initiative, we DO NOT ALLOW phones, laptops, tablets, ipads, ipods, apple watches and/or other electronics that have wifi capability at camp. We strongly believe this will enhance the Camp Telaphiba Experience and provide a stronger community and a needed break from the devices that we all rely on so heavily each day. Cell phone usage can interfere with and even sabotage a child's overall experience at camp. A camper that spends time immersed in technology or communications may do so at the expense of getting to know fellow campers and counselors. We all are looking forward to a fun-filled, safe, and happy summer without any of the worries of technology! We appreciate your cooperation.

Upon arrival at camp, campers will be asked to turn in their phones and devices at check in, or leave them with parents. All checked in phones will be kept by camp staff and turned off for the duration of camp. If a camper is caught with a phone or device at camp, the device will be confiscated and returned at the end of camp as well as parents contacted and ultimately could result in a camper being sent home from camp.

FAQs about this policy:

How will I get a hold of my camper or how will they get a hold of me?

The camp line will be available for use 24/7 by campers and parents. The phone number is 720-580-2267. We are very aware of the great responsibility in caring for your child. In case of emergency, either physical or otherwise, you will be notified immediately.

Where will they keep their electronics during the week?

We prefer and encourage your children to leave their electronics at home. Camp Telaphiba cannot and will not be responsible, for any reason, for the loss or damage to your children's electronic equipment including but not limited to cell phones, laptops, tablets, kindles, apple watches, cords and chargers etc.

What if my camper is traveling by plane/alone?

Campers under this circumstance may check in their phone with our staff to allow for direct communication while traveling both to and from camp. During camp, campers will check in their phone to Camp Telaphiba staff for safe keeping throughout the week.

Will extended campers get their phones in between sessions?

Extended campers are allowed to have their phones in between sessions. During the sessions they will check in their phone to Camp Telaphiba Staff for safe keeping.

How will my camper take pictures?

Campers can ask a Camp Staff or bring a digital camera/disposable camera.

How will my camper listen to music?

We suggest an inexpensive mp3 player.

How will my camper receive other camper's contact information to stay in touch with new friends?

Campers will be given the opportunity at the end of camp to write down contact information of their friends!
